MAKE AN IMPACT.

When you serve as an AmeriCorps member, you are making a community impact.

Serve as an AmeriCorps member at Easter Seals Wisconsin!

AmeriCorps members are given the unique opportunity to participate in strengthening the community by supporting the mission of Easter Seals Wisconsin: to increase independence, maximize opportunities, minimize barriers, and enhance the quality of life for people with disabilities.

What is AmeriCorps? AmeriCorps is a network of local, state, and national service programs connecting over 75,000 Americans each year through service at nonprofits, schools, public agencies, and community and faith-based groups.

How do I benefit as an AmeriCorps member? If you have a desire to serve people, we are looking for members like you! A term of service as an AmeriCorps member not only enhances your education, but it helps pay for it too! Through your term you will gain valuable skills, professional development, receive a living stipend, and an Education Award.

As an AmeriCorps member your common goals are to get things done, strengthen communities, encourage responsibility, and expand opportunity. If you are ready to **Be the Greater Good** contact us today!
