CAMP FEE PAYMENT - General Billing Policies

Paying For Camp

Easterseals Wisconsin strives to keep camp fees as low as possible. Most of our campers have their fees paid in part or in full through a third party.

Private Payers

If you will be paying privately (in part or in full), we provide several options:

- *Online:* On the Easterseals Wisconsin camp registration page, you can pay your camp fees by credit or debit card.
- *By Mail:* Please send payments **at least two weeks in advance** of your camp session (to give us time to process the payment):

Easterseals Wisconsin
Attn: Camp Admin
8001 Excelsior Drive, Suite #200
Madison, WI 53717

- *At Camp Check-in:* We can also receive payment in cash or check when you arrive at camp.

Note: Please fill out all checks to "Easterseals Wisconsin." We send receipts only by request.

Third Party Payment (agency or organization billing)

If an outside source such as IRIS is paying your camp fee (in part or in full):

- See below for more info on specific funding sources
- Please include your payment source and name of caseworker in the application.
- Verify that any session you're attending is covered by your program prior to your session.
- Keep us in the loop: If there are changes to your funding source, please let us know as soon as possible.

Camperships

If you believe that your family will require assistance to pay for a camp session, please fill out the campership form and return to Easterseals Wisconsin within 10 days of enrollment. If you have questions about camperships, please call 608-237-1372.

THIRD PARTY PAYERS *Guidelines for Common Sources*

County Human Services, CLTS Waiver, Disability Services, Family Care, or Family Support Programs

- Each camp session must be authorized by your caseworker prior to the session. Please inform your caseworker to send all service authorizations to the Madison office (see the above address, or email to bnelson@eastersealswisconsin.com).
- Claims for these programs are typically made after the camper has attended camp and we have received the authorization.
- There are a variety of Medicaid programs and waiver agreements that assist our campers in paying for camp. Inquire at your county's Department of Health, family service agency, or your local Aging and Disability Resource Center (ADRC) to determine eligibility and funding.
- Be aware that some counties contract with private agencies, such as Lutheran Social Services (LSS) or the Family Support & Resource Center (FSRC).

IRIS Program

- If you are covered by IRIS, your camp sessions will need to be added to your Individual Service and Support Plan. Please ask your IRIS consultant to send IRIS Vendor Authorization Letters to the Easterseals Wisconsin Madison office (see the above address) or email to bnelson@eastersealswisconsin.com.
- Easterseals Wisconsin requires the Vendor Authorization Letters prior to campers attending any camp sessions.
- Recently, the administration of IRIS has split into several IRIS consultant agencies (ICAs, the most common of which is TMG) and several fiscal employer agents (iLife, GT Independence, Outreach, and Premier). This split has caused a great deal of confusion for campers and billing staff alike. So that we can better assist you, if you intend to use IRIS funds to pay for camp, you must include your Fiscal Employer Agency (FEA), IRIS Consultant Agency (ICA) and the name of your IRIS Consultant on your application. (More info, including a Wisconsin map of ICAs and FEAs by county/region, can be found at <https://www.dhs.wisconsin.gov/iris/directory.htm>).

Service Clubs and Organizations

Some local service clubs and organizations offer scholarships/camperships to assist individuals to attend camp.

General Guidelines

- In your application, please provide the name of the organization that is sponsoring you, along with their contact name and phone number.
- We will typically send an invoice to the organization on the first day of the month following your session, though we do encourage organizations to pay ahead. Please see the “Private Payer” section above for more information.
- While most programs and agencies base their funding on standard gross family income, some programs do take into consideration the extraordinary costs of care for individuals with disabilities, and will assist middle-income families.
- We have included a sample letter below for requesting a campership from a community organization.
- We recommend that you send a thank-you letter to your sponsor after you attend camp. This is common courtesy and will be greatly appreciated!

Finding the right organization

- Many of our campers are given camperships by clubs. Some of these clubs include the Elks, Lions, Masons, Rotary, Kiwanis, Optimists, Knights of Columbus, and Fraternal Order of Eagles.
- Some communities have set up funds to provide grants for families. Your church or employer may also be a place to ask for assistance. Private statewide foundations such as the Hans and Anna Spartvedt Testamentary Trust (608-232-2004) may be able to help as well.
- The Children’s Miracle Network (CMN) directly assists some children and their families. Two CMN-affiliated hospitals in Wisconsin may offer help to eligible families:
 - o CMN at Ministry St. Joseph’s Children’s Hospital / Marshfield Clinic, which serves 17 counties in central Wisconsin, can be contacted at 800-428-5000.
 - o CMN Gunderson Lutheran Hospital, which serves 15 counties in western Wisconsin, can be contacted at 800-853-6889 or <http://www.gundersenhealth.org/cmn-hospitals/contact/>.
- For clubs in your area, search for “Service Clubs” online or in your phone book. You can also visit <http://go.wisc.edu/grants>.
- You can contact the Respite Care Association of Wisconsin for additional resources at 1-866-702-7229 or visit them at <https://respitecarewi.org/>.

Camperships through Easterseals Wisconsin Easterseals Wisconsin offers a limited number of camperships for summer sessions. We require families to provide gross annual income, and to first seek out financial aid from two other sources, such as service clubs and churches. If you are interested in applying for a campership, please request an application by mail (see address in “Private Payers” below) or by email at campadmin@eastersealswisconsin.com.

When requesting a campership or scholarship from a community organization, use a request letter similar to the one shown here:

Sample Campership Request Letter

Dear (Organization):

Easterseals Wisconsin provides a 6-day camp session. Camp is located in Wisconsin Dells, and it is exclusively for people who have disabilities. My (son, daughter, ...) has (medical condition/disability diagnosis) and would benefit enormously from attending the program. I would benefit as well from getting a break from (his/her) need for constant supervision and care. I am trying to find help to raise the money I need so (she/he) can attend camp. The session I want (him/her) to go to will cost me (\$), and I am writing to ask if your organization could help with part or all of this amount.

Thank you for considering my request. Sponsoring my (son/daughter) would make a huge difference for our family! Because campers are accepted on a first-come, first-served basis, we want/need to send in our application as soon as possible. If you could please let me know if you can help me, I would appreciate it. You can call me at (telephone #) if you have any questions.

Sincerely,

POLICIES AND PROCEDURES

CANCELLATIONS

The fee will be refunded if the camp office is notified of a cancellation at least *5 days prior* to the first day of your scheduled session.

STAFF

Each camp has a full-time director, a registered nurse, food service personnel, counselors, activity leaders, and volunteer assistants. The majority of the staff are college students or recent graduates studying or working in occupations related to nursing, teaching or social work. All staff members are carefully screened and receive extensive training.

Easterseals Wisconsin Camps promote a restraint-free environment. Staff and AmeriCorps members are trained in behavior management techniques that are applicable to the camp environment.

Easterseals Wisconsin camp staff are trained to provide assistance with campers' personal needs such as eating, bathing, transferring from their wheelchair, dressing, and toileting. An on-site nurse is available for routine medical care such as dispensing medication, assisting with bowel programs or catheterization, setting up g-tube feedings, and providing for the overall health maintenance of each camper. We do not match male counselors with female campers, but male campers may be cared for by female counselors at times.

Staff are trained to manage the health of all campers by following parental and physician instructions as closely as possible. Parents will be notified by the Easterseals Wisconsin staff about any medical incidents such as illness or injury beyond those requiring basic first aid procedures.

The nurses are responsible for providing medical attention, administering medications, and are available as needed. It is important for parents and/or caregivers to provide staff with detailed medical instructions.

CAMPER OBSERVATION FORM

Upon completion of a camp session, each camper receives a Camper Observation Form that is completed by his/her counselor. This form provides parents and caregivers with a summary of the camper's experience at camp. Parents and caregivers will also receive an evaluation form to help us improve our program.

REGISTRATION

Please Note: Your application WILL NOT BE PROCESSED if you do not complete STEPS 1-16.

A registration confirmation will be mailed/emailed to the camper that will include the session(s) for which the camper has been registered or waitlisted. Campers will also receive a reminder packet two weeks prior to their camp session with a notification of their session drop-off/pick-up times and any balance due, and a medication form (also available online) to be completed prior to arrival at camp.

The Medical Examination form will be included with your registration confirmation and is available online. Campers must bring the Medical Examination form to camp during their scheduled session. If the form is not present within 24 hours of arriving at camp, the camper will be sent home. The Medical Examination form is good for one year from the doctor's exam date on the form. Please remember, however, that while a new physical is not required for each session, it is your responsibility to inform Easterseals Wisconsin Camps of any significant changes in physical, medical, emotional, or behavioral conditions that occur between sessions.

REGISTRATION RULES

1. A camper will not be allowed to stay at camp if he/she does not have the necessary signed, completed forms upon arrival at camp.
2. A camper's registration is based on the application and medical information on file. Failure to inform us of significant changes may result in denial of camper.
3. If the session(s) you applied for are full, your name will be placed on a waiting list, and you will be informed by mail or e-mail. If openings do not occur, any fees that have been paid will be refunded, including the registration fee.
4. Campers are registered at the discretion of the Camp Director.

These programs, including the rules for registration and participation, do not discriminate on the basis of age, gender, religion or creed, race, sexual orientation, nation of origin, marital status, or other protected status.
